Letter dated 7th January 1948 from the New India Assurance Company asking whether a fresh policy may be issued or whether it is sufficient if a renewal stamped receipt is issued.

So long as the risk is duly covered and legally enforceable it would appear to be immaterial whether it is a fresh policy or a renewal receipt. It is for orders whether the firm may be informed accordingly or whether the Superintendent of Insurance may be consulted as to the alternative to be preferred.

Renewal of Insurance of Mysore State Air-Plane.

With reference to your letter No.4395 dated 17th January - 1948, forwarding a copy of letter of the New India Assurance Co Ltd., and requesting me to advise whether a fresh policy may be obtained or whether it is sufficient to get a renewal stamped receipt, I have the honour to state that there is no information in this office how such policies are renewed by insurers.

However, it is ascertained by enquiry that insurers issue either a fresh policy or a renewal stamped receipt at the option of the party. So far as the liability of the insurer under the policy is concerned, it continues irrespective of the procedure adopted for renewing the policy. Government may adopt which-ever alternative proceedure that is convenient to them.
